#CAREERDNA

WELCOME

at Towarowa 28!

Tired of working from home? Feeling like you lack focus, or simply need a change of scenery? In our coworking space you will find everything you need to work comfortably and efficiently.

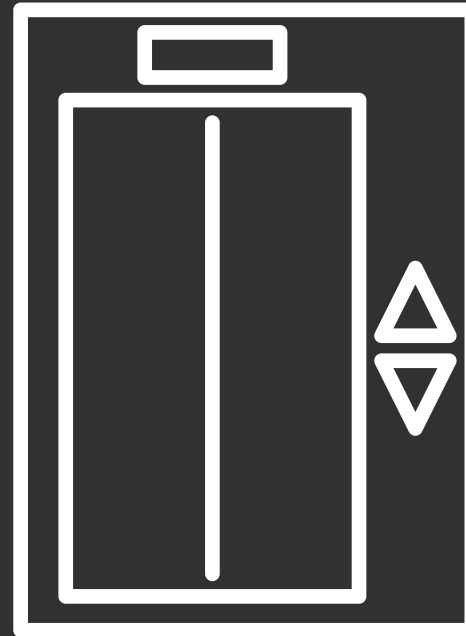

This is more than just desks and fast internet — it's a place where:

- you'll meet people with similar energy and ideas,
- you can easily organise a team meeting or brainstorming session,
- you'll break free from home routine and regain motivation,
- you work in a great location, with access to coffee, great atmosphere and comfortable spaces.

Coworking is the ideal solution if you want to combine the freedom of remote work with the advantages of a professional office. Come and see how well you work in a place that inspires.

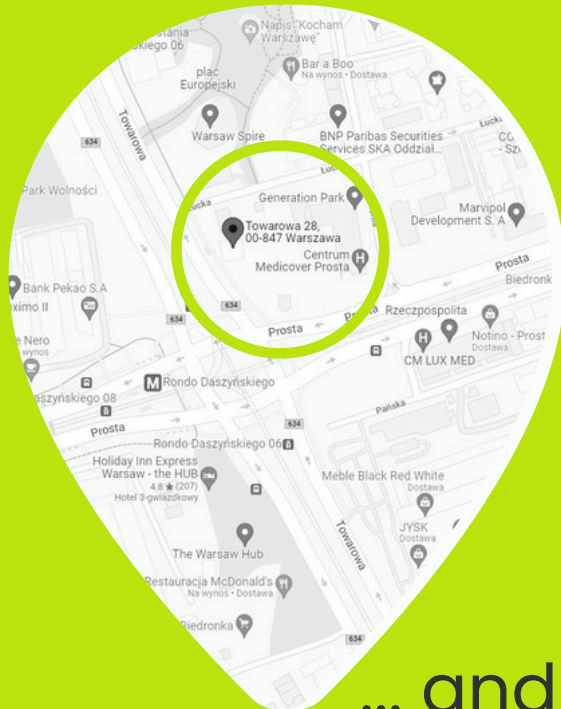

Contact us:

izabela.ciszewska@dcg.pl

Gallery

Here's a quick look at what you'll have at your fingertips in our coworking space.

GENERATION PARK Z BUILDING

Security

- Integrated access control and CCTV cameras inside and outside the building.
- Cameras monitor car parks, external areas, the terrace and the lift lobby.
- 24/7/365 monitoring centre staffed by building security.
- Fire alarm system (FAS) with hydrants and extinguishers throughout.
- Voice Alarm System broadcasts evacuation announcements in Polish and English.
- Mandatory fire evacuation drills at least once every 2 years.

Connected by Skanska

- Smart building management system via a free mobile app (iOS & Android).
- Virtual reception — invite guests without physical reception contact.
- Guests enter using a virtual card downloaded to their phone, like an airline boarding pass.
- The host receives a notification when the guest arrives.
- Virtual invitations deliver key building info to visitors for a smooth experience.
- Send guests a one-time QR code for access to paid parking spaces.

Who we are ?

We are a recruitment and outsourcing company, and we know very well that people are the heart of every business — and that workplace comfort can translate directly into the results of even the most complex project.

Every day we work in a space that fosters collaboration, meetings and focused individual work. And it is precisely this space that we share with others — renting out our coworking area to individuals and teams looking for a convenient place to work in a great location.
